MOVIE: SICA Committee feels proud to extend its appreciation to all the members who made it to see Tamil Movie screened on 18.05.2014, which was indeed very entertaining.

YOGA CAMP:

Yoga, an ancient but perfect science, deals with the evolution of humanity. This evolution includes all aspects of one's being, from bodily health to self realization. Yoga means union - the union of body with consciousness and consciousness with the soul. Yoga cultivates the ways of maintaining a balanced attitude in day to day life and endows skill in the performance of one's actions.

On popular demand of members a Yoga camp was organized from 18th May 2014, which was well attended and extended up to 31st. Participants demanded to have such Yoga camp on regular basis.
