Bulletin No. 07
04.01.2013

Dear Members,

“WISH YOU A VERY HAPPY NEW YEAR 2013”

The pain and shame that India has seen all of last week, I hope serves as a cause for a national awakening, an awakening of our collective consciousness. As a nation we all embrace the sacredness and inviolability of human, women and child rights. We renew and rediscover values and principles of humanity that is the very foundation of our democracy. I sincerely hope 2013 serves as a harbinger of broad and deep changes. Perhaps the wisdom of one of India's greatest poets and Nobel Laureates, Rabindranath Tagore could illuminate our way ahead with his poem-

"Where the mind is without fear and the head is held high
Where knowledge is free
Where the world has not been broken up into fragments
By narrow domestic walls
Where words come out from the depth of truth
Where tireless striving stretches its arms towards perfection
Where the clear stream of reason has not lost its way
Into the dreary desert sand of dead habit
Where the mind is led forward by thee
Into ever-widening thought and action
Into that heaven of freedom, my Father, let my country awake."
