SPECIAL BULLETIN

Dear Members,

As informed you earlier we are extending our dedicated services to the General Public of Indore by opening "**SICA CHARITABLE CLINIC**" at Scheme-54 school compound on Sunday (17.06.2012) at 8.30 a.m.

We have made elaborate arrangements for successfully running of the clinic. To start with we have engaged a qualified Doctor and a Nurse on regular basis (part time 5.30 p.m. to 7.00 p.m.) on every Monday to Saturday.

Speciality Clinic will function on every Saturday and expert Doctors will visit on such days in rotation. Arrangements are also being made for running immunization clinic on Fourth Saturday of every month.

Efforts are also being made for extending Blood sample collection at this clinic every day under arrangement with leading pathology laboratory at concessional rate.

Apart from the general public to whom the clinic is dedicated, our members can also avail of its services.

We are enclosing our printed invitation card herewith and request the members to participate in the inauguration function in large number with friends and make it a success.

We started the SICA School in a very small scale, with only 73 students, which has now grown to be a big organization of having nearly 7000 students. Similarly, we are confident that the Charitable Clinic which is being opened in a small scale will also grow to the level of a big nursing home / hospital in the near future.

We have created a fund for running the clinic with initial amount of Rs. 15.00 lacs. Out of the interest amount of this fund we intend to run the clinic. We anticipate a sum of Rs. 20 to 25 thousand rupees per month as recurring expenses. Since we are short of funds to meet out this estimated expenses, we earnestly request all the philanthropic members to generously donate towards this fund so as to enable us to take this fund to the extend of atleast Rs. 25 lacs. This is for a noble cause hence be generous in donating for this fund. Donation may be made by way of cheque drawn in the name of SICA.

We are thankful to Dr. P.G. Raman M.D., Dr. Shivram, M.B.B.S., Dr. Geetha Shivram M.B.B.S., Dr. Raghavan Iyengar M.S., M.Ch., Dr. Deepa Ragavan Iyengar M.B.B.S., M.D., Dr. Sanjay Jain M.D., Dr. Sandeep Jain M.B.B.S. (who will be visiting on regular basis) and other leading Doctors for extending their services. Our special thanks to Dr. Shivram in particular for making this project a reality.
